BAND AND GUARD PARENT ASSOCIATION

AGENDA - MONDAY, November 20, 2006  
Time: 7:00pm to 8:00pm Location: Band Room**

**A. Welcome – President – Carolee Richendollar**

**A. Directors' Reports –**

- A. Mr. Obado reviewed the marching season. He expressed his pride in the students and their results at the State competition in St. Petersburg. He said they had the highest scores for this season and improved over past years.
- B. He is not sure how the program for next year will change. He understands the reasoning for other schools scoring higher and feels the music is equally as important as the marching and does not want to compromise the integrity of the UHS program by lowering the standard for the type of music played, even if it means not winning the State Championship.
- C. He stressed the importance of the parent boosters in regard to “supporting the band”
