

UNIVERSITY BAND

FBA CONCERT MPA

University's ensembles rated "superior" at FBA event.

The Florida Bandmasters' Association District 8 Concert Music Performance Assessment was held this week at Cypress Creek High School. Both our Symphonic Band and Wind Ensemble performed, receiving lots of positive feedback from the adjudicators, with both ensembles earning straight "superior" ratings. This is the highest possible rating at this event, and the third year in a row both of University's top bands have earned this distinction. Congratulations to the students in both bands for their achievement!

The Wind Ensemble will be continuing to the FBA State Concert MPA, which takes place on April 28 at Vero Beach High School.
