UNIVERSITY WINTER GUARD

The 2022 Winter Guard season wraps up this week

The University Winter Guard has had a successful season presenting their 2022 show “Come Along,” starting with a third-place finish at the FFCC Premiere and including being twice named a WGI Finalist. You’ll have the chance to see our guard perform a **Send-Off Show** *tonight* at 7:30 PM in the University High School gymnasium. The season culminates this Sunday with the **FFCC Championships** at the Daytona Beach Ocean Center. Our ensemble performs at 10:54 AM. Please come support them if you can!

State Solo & Ensemble

Highlighting Individual Achievement

The Florida Bandmasters' Association State Solo & Ensemble Festival was held this past Tuesday at Vero Beach High School. Our students who earned top ratings at the district festival had the chance to perform solo literature for adjudicators in the morning, with two students earning a rating of "excellent" and twelve earning the highest rating of "superior," including three students who earned the special "superior with distinction" rating.

Congratulations to Thomas Ambrose, William Barnes, Jonathan Carroll, Andrei Caquimbo, Liam Cervantes, Nozomi Devine, Dominic Gonzalez, Connor Gotham, Dante Jaramillo-Vasquez, Alexis Lau, Matteo Moreali, Matthew Pedrero, Jan Ramos, Haley Richardson, Juan Rodriguez, Jared Sta.Ana, and Matthew Wong!

State Jazz MPA

Jazz Ensemble and Big Band

Having both earned "superior" ratings at the district music performance assessment, our Jazz Ensemble and Big Band also went to Vero Beach for the State Jazz MPA. The Jazz Ensemble earned the significant achievement of a split "excellent" (meaning one adjudicator did assign the group a "superior") and the Big Band earned its first "superior" at State MPA since 2018. Congratulations to both those groups!

CFS MATTRESS FUNDRAISER | SATURDAY, APRIL 9 | 10 AM – 5 PM

When I was first approached by Custom Fundraising Solutions about doing a "mattress fundraiser," I thought it sounded preposterous, until I realized that I was currently, at that very moment, in the market for a new one. So we gave it a shot, the company came and set up a one-day mattress store in our cafeteria, and it turned out to be a great fundraiser! And it's back this year.

First off, the band earns \$500 for every 100 people who text "UHS" to (321) 521-2327. So right now, this very moment, **please text the following message to as many adults as you can:**

**"Please help me support the UHS Band
by texting 'UHS' to (321) 521-2327. Thank you!"**

This will simply send that person all the information about the upcoming sale.

Additionally, any time a student refer someone to the sale who makes a purchase, that student will receive a portion of the sale written as a check directly to them! This is a pretty easy fundraiser and our job is just to get the word out. Please help us do that!
