We Need Your Help!

Dear Prospective Sponsor:

The University High School Band has been a staple of the East Orlando community for the past three and a half decades. We are a comprehensive musical arts program that develops students as musicians, performers, and leaders. We believe in the importance of each student's personal dedication to excellence in every endeavor, in the concert hall, on the performance field, or in the classroom. Our members strive to put in the time, effort, and energy to achieve greatness in whatever we do.

In recent years, the University Band has been recognized as one of the premier programs in the State of Florida. Each year since 2019, our Band has been named a Finalist at the Florida Marching Band State Championships as well as the Bands of America National Regionals at Camping World Stadium. Our wind ensemble, symphonic band, big band, jazz ensemble, and marching band have consistently been rated "superior" ensembles by the Florida Bandmasters' Association. Our program enriches the lives of over 150 young people every year.

To operate a program at the level we expect requires an annual budget of approximately \$125,000. Our school district provides less than 10% of this budget; the rest must be raised by our students, parents, and community.

Therefore, we are asking for your help!

Attached are our sponsorship levels and the recognition you will receive for your support. There are many benefits to doing so, although the greatest is knowing you are investing in the youth of our community. Please complete the attached forms to become a sponsor of the University High School Band! Donations are tax-deductible and can be made via check or online.

Thank you for your time and consideration!
